

*Welcome
to our beautiful 115 acre
Legacy Prairie & Woodland.*

We are called to be stewards of the land.

We used Green Infrastructure practices to restore the former farm fields into 35 acres of prairies; created trails suitable for hiking, cross country skiing and or snowshoeing; minimized erosion with the construction of a plunge pool, dam and detention pond; preserved the 20 acres of wetland and portion of Vermont Creek that flows along highway 78; and are managing the woodland to maximize its habitat for wildlife.

Our vision is that this property, with the enhancements we've done in and surrounding our Gathering Place, will be a community outreach opportunity for members and non-members to use the property for exercise or meditation on the trails; formal or informal gatherings in the Gathering Place, on the patio or Woodland Shelter House; learning opportunities for young and old and a sense of pride in a job well done.

We hope you enjoy your visit!

*Support the
Legacy Prairie & Woodland*

We encourage you to become a

**FRIEND OF THE VERMONT
LEGACY PRAIRIE AND WOODLAND**

by registering on our website

Prairie & Woodland | vermont-lutheran (vermontlutheran.org)

By doing so, your donation will help defray the costs of maintaining and further developing the Prairie & Woodland and you'll receive periodic email updates on the development of the property, notice of special events and volunteer opportunities.
