

Nestled in the beautiful driftless region fifteen miles west of Madison, Wisconsin, Vermont Lutheran Church is vibrant community of faith seeking a half-time Faith Community Nurse.

Qualifications:

Registered nurse licensed (preferred) or a licensed practical nurse in Wisconsin with certification as a Faith Community Nurse (or a willingness to obtain – a eight week on-line course). Minimum of one year of clinical experience. Must be compassionate and possess strong interpersonal skills.

Responsibilities:

Provide health care grounded in the Christian faith to church members.

Visit members in the hospital, long-term care facilities, and homes.

Help members maintain their independence.

Provide health promotion, spiritual care, counseling, and education.

Train and coordinate volunteers for visitation.

Liaise with Pastor and Pastoral Care Committee.

Provide health care to expectant families and new parents.

Coordinate care in collaboration with health care professionals.

Make referrals to community resources.

Provide Health education to wider congregation.

Support to families dealing with illness or loss.

Assist with end of life and palliative care.

Please send resume and letter of interest to: vermont_church@tds.net
