## **Play Nature Charades**

Natures Charades is the same as regular Charades, but you can choose an outdoorsy theme instead. Each member of the family picks a nature-related word or phrase, like "squirrel collecting nuts", "waterfall", "bear eating honey" etc. and acts it out for the others walkers to guess without speaking. The objective is for your team to guess the phrase as quickly as possible.

You can play in rotation, teams if there's a large group of hikers, or play so if someone guesses the answer then they get to pick the next word or phrase.
